3. The Director of the Idaho Department of Water Resources has reviewed the application for compliance with the Water Supply Bank rules and has approved the Lease subject to conditions listed below.

NOW, THEREFORE, in consideration of the mutual covenants and contracts herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. **WATER RIGHTS:** The Lessor shall lease and the Board shall accept into the Bank the Applicant's water rights described as follows:

WATER SUPPLY BANK LEASE CONTRACT No. 1276

8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other Department application process.
9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
12. The use of water for irrigation under this right may continue to as late as October 31, provided other elements of the right are not exceeded. The use of water after October 15 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than the date a partial decree is entered for this right.

Subject: RE: Transfer 82746 in the name of Idaho Water Co

Jean,

Application for Transfer 82746 is one of the oldest pending applications in our region. The proposed use was for industrial use at a malting plant in Pocatello. The application was protested and has stalled out. I spoke to Kevin Kohtz at Idaho Water Company earlier this month. They have found another source of water for the malting plant in Pocatello. They have an application in with the WSB to rent water for the plant. According to Kevin, once the WSB Rental is approved, Application 82746 will be withdrawn. In my opinion, you can move forward with evaluating the WSB Lease proposed by Lynn and Christine Bastian.

Lynn and Christine Bastian submitted an application to lease the entirety of water right 29-7006 to the Water Supply Bank for 2021 to 2025. I see that Idaho Water Co. submitted an application for transfer to transfer a portion of this water right. The transfer has been protested.

Can we go ahead and place this right in the Bank? Or will that be a problem? Please let me know ASAP. Thanks.

Narrative: The Department received this application on December 10, 2020. The applicant wishes to place the entire right in the Bank through 2025. The application was signed by Lynn Bastian, current owner. This right was decreed in 2004. It was enrolled in the CRP program through 2007 and placed in the Bank in 2011 - present. There are no overlapping rights with the POU or POD. This right is involved in Transfer 82746, one of the oldest transfer in Eastern Region. The application was protested and has stalled out. The transfer applicant submitted a WSB Rental to fulfill the water needed due to the transfer not being approved. If the rental is approved, the transfer application will be withdrawn.
