Re: Change in Ownership for Water Right No(s): 37-21580, 37-21582, 37-21585, 37-21588 & 37-21591

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline

Good afternoon Laura,

I am preparing to finalize the Ownership Change for your Gannett Road property and I came across (1) additional water right that I believe should be transferred to you. There is a water right for the Domestic household use. I am assuming you purchased the house as well; therefore the associated water right should be transferred to you. I have attached a map for your reference.

If this is correct, we will just need another \$25.00 filing fee to change the water right. I already have the appropriate forms and conveyance documents to make this change.

Please let me know if you have any questions regarding this e-mail. If there are no questions, I can finish this up and get all of the water rights changed into your name as soon as we receive the \$25.00.

Thank you & have a good weekend,

Denise Maline @ IDWR
