PROOF OF BENEFICIAL USE

RE: Permit No. 75-14899

Dear Permit Holders:

The Department received a proof of beneficial use form submitted by Wayne and Dyann Worley for the above referenced permit. The Department did not receive an *Assignment of Permit* form assigning the permit to the Worleys, but did receive a copy of a deed conveying property that is appurtenant to the permit. According to Department records, you are the current permit holders. If you have an objection to the submission of the proof form from the Worleys, please contact the Department.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions, please contact me at 208-287-4920.

Sincerely,

Debbi Judd
Technical Records Specialist
