

MEMORANDUM

TO: Water Right Permit File 63-12157

FROM: Daniel A. Nelson

DATE: January 6, 2021

SUBJECT: Request to Amend License

On January 5, 2021, I spoke with the City of Meridian's attorney, Charles L. Honsinger, concerning the recently issued license for water right 63-12157. In this conversation, Mr. Honsinger informed me that the well in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25 of Township 3 North, Range 1 West, has been abandoned.

I informed Mr. Honsinger that I did remove the well location in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25 of Township 3 North, Range 1 West, because it had been abandoned, and the City of Meridian no longer owned any property in that 40 acre tract.

I also informed Mr. Honsinger that I didn't look into the well located in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25 of Township 3 North, Range 1 West, because the City of Meridian still owned the well lot. I told Mr. Honsinger that we could remove the well through an amended license if we received an email within the next 14 days.

On January 6, 2021, Mr Honsinger did send an email requesting that the well in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25 of Township 3 North, Range 1 West, be removed from the license on water right 63-12157. I will prepare an amended license for signature with only one well described. The well to be described will be in the NE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 25 of Township 3 North, Range 1 West.

Charlie,

I will start work on this as soon as possible.

Thank you

Subject: Recently Issued License no. 63-12157 in the name of The City of Meridian

Dan: Per our conversation of yesterday, the City of Meridian has asked that IDWR remove from recently issued license no. 63-12157 the point of diversion located at T03N R01W Section 25 NENE. The City has no plans to ever use that location as a POD in the future.

It is my understanding pursuant to our conversation that this email will suffice to permit IDWR to issue an amended license without that point of diversion. If I am in error, please let me know.

Thank you, and please contact me with any questions or concerns.

Sincerely,

Charles L. Honsinger
