

MEMORANDUM

Date: December 9, 2020
To: Transfer 84557
From: Jared Adamson
Re: Review & Evaluation of Sufficiency of Information

The transfer proposes to change the place of use and point of diversion for a 2.5 acre, 0.1 cfs portion of water right 27-7292. The transfer also proposes to rearrange the place of use for water right 27-7303A to reflect current irrigation practices. The property, owned by Tanner Lane Ranch LLLP, is located in Sections 27 and 34, T02S, R36E. The proposed point of diversion is located in the SWSW of Section 27, T02S, R34E.

Authority to File:

The applicant is the current owner of water rights per IDWR record and owner of the property at the proposed point of diversion and proposed place of use per Bingham County taxlot data (updated 10/28/2020). Chris Drakos who is owner of Tanner Lane Ranch LLLP signed the application.

Water Right Validity:

These water rights were decreed on 4/3/2007. In review of aerial photography and water measurement records available to the department, there is no clear and convincing evidence showing forfeiture has occurred. Forfeiture is not an issue.

Injury to Other Water Rights:

These water rights are within the ESPA and regulated by WD 120. The points of diversion are within adjacent ESPA model cells. No ESPA analysis is required. This transfer was advertised and there are no protests. The watermaster does not oppose the application.

Enlargement of Use:

The approval of this transfer will not result in an enlargement of a water right.

Local Public Interest: No issues have been identified.

Beneficial Use/Conservation of Water Resources:

No issues have been identified.

Effect on Economy the local area:

No issues have been identified.

Local Public Interest:

No issues have been identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222, Idaho Code preventing processing of this application.
