RE: Returned Assignment of Permit No(s): 95-17812

Dear Interested Parties:

During the review of recently submitted Statement of Completion for Submitting Proof of Beneficial Use documentation, the Department was made aware of a processing error.

On September 24, 2020 the Department of Water Resources Northern Regional Office received and processed an Assignment of Permit for the above referenced permit. The current holder of permit 95-17812 is Dianne Hendrickson Revocable Living Trust, where the entity who is noted on the Assignment of Permit in question is Dianne Hendrickson. According to Idaho Water Appropriations Rule 35, Section 2d, a Permit is considered personal property. Although it is likely Dianne Hendrickson is a trustee of the Dianne Hendrickson Revocable Living Trust, permit 95-17812 is in the name of the Trust. As such, the Dianne Hendrickson Revocable Living Trust would need to be the entity to assign the permit to any new permit holder.

The Department is returning the Assignment of Permit and issuing a refund of the fee paid. The refund will arrive under a separate cover.

Also, permit 95-17812 was licensed by the Department on December 22, 2020. If you are the new property owner, you may submit a Notice of Change of Ownership with appropriate documentation and fees.

If you have any questions concerning the enclosed information, please contact me at 208-287-4945 or Amanda.veibell@idwr.idaho.gov.

Sincerely,

Amanda Johnson-Veibell
