Subject: Linderman contested water right case 47-17664 - Covid-19 Safety Requirements

Parties: I am writing to reiterate and confirm the health and safety requirements that will be in place for the hearing in this case, scheduled next week on Thursday December 10, 9 am at the Twin Falls County West building.

All scheduled deadlines have now expired and there are no external witnesses identified to testify. Accordingly, attendance at this hearing will be strictly limited to Applicants and their counsel, Protestants and their counsel, and essential Department staff. Pursuant to the Idaho Department of Health and Welfare Stage 2 Order, issued November 14, 2020, total attendance at the hearing may not exceed 10 people. Face coverings will be required in the hearing room and distancing guidelines will be enforced.

At this time I am expecting up to 4 attendees for Applicants, and 3 attendees for Protestants. Please advise if these numbers are not correct.

If there are non-participants who would like to listen to the hearing, the Department will make call-in conferencing available during the proceeding (audio only). Please notify Denise Maline at least 48 hours in advance of the hearing to request teleconferencing and to receive call-in instructions.

If there are questions, please contact Denise at 208-736-3033.

Regards,

*Cindy Yenter, Hearing Officer
