PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 86-12072

Dear Permit Holders:

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

Debbi Judd

Subject: RE: 86-12072 in house

Debbi,

This is an irrigation right that was filed in October of 2019, so we don't have any aerial imagery of the property after the approval of the permit. I don't feel comfortable on these without having something to go on.

I will place it in your in-basket with the proof statement.

Dan

Hi Dan,

This in house proof came in yesterday (we were waiting on payment) and should be in my in basket. The file should be in a small stack of files on the desk return. Or you can wait until tomorrow when I'm in and I'll bring the file and proof to you.

Thanks,
Debbi
