PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 63-34706

Dear Permit Holder:

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Western Region Office of the Department located in Boise at (208) 334-2190.

Sincerely,

Debbi Judd

Subject: RE: 63-34706 in house

Hi Debbi,

The imagery suggests that the irrigation for this property hasn't changed since 2009 about the time the well was drilled. Therefore, I can't confirm what is irrigated from the well and what is irrigated from the wastewater. I think a field exam is necessary on this one.

Dan,

This in house proof and file should be on my desk return (there aren't many, maybe four files in the stack). Let me know if you can't find it.

Thanks,
Debbi
