Subject: North Kootenai Water and Sewer District Right Permit Amendments
Attachments: Second Chance Letter.pdf

Hello Chris,

I have placed the attached letter in the mail today for North Kootenai Water and Sewer District. I hope it answer's North Kootenai's questions. We have also made available a copy of the spreadsheet that we demonstrated to you in March of 2016. We also encourage North Kootenai Water and Sewer District to supply an alternate proposal that will adequately address the enlargement issues.

Respectfully,

Daniel Nelson
