Subject: RE: Pre-Hearing Conference (Consolidated) Applications for Transfer Nos. 83930 (Golightly) and 84102 (Sharp)

Dear Parties,

I will accept the email sent by Andy Waldera as a withdrawal of Application 83930 filed by E&M Trust and a withdrawal of E&M Trust's protest against Application 84102. No additional withdrawal documents need to be filed. Given the withdrawal of Application 83930 and the withdrawal of the protest against Application 84102, the conference scheduled for tomorrow is no longer necessary. Please let this email confirm that the pre-hearing/status conference scheduled for tomorrow is cancelled. The Department will resume its review of Application 84102 and will issue a decision on that application in the coming weeks.

James

Good morning, James (and All).

As you are likely aware, tomorrow morning is currently scheduled as a continued prehearing conference/status conference in the above-referenced matters.

After having had additional opportunity to discuss these matters with Eldon, we have reached the decisions that:

1. The E&M Trust withdraws its Application for Transfer No. 83930; and
2. The E&M Trust withdraws its protest of Sharp Application for Transfer No. 84102.

I can prepare more formal withdrawal paperwork and file it with IDWR in the coming days if/as necessary. But I send this email in the interim in the interests of time because the foregoing withdrawals likely negate the need for tomorrow's conference (but I'll let James speak to that).

Please let me know if you have any questions.

Regards,
Andy
