

ACTION OF THE DIRECTOR, DEPARTMENT OF WATER RESOURCES

This is to certify that the department has examined this application for temporary approval to use water under the provisions of Section 42-202a, Idaho Code, and has determined that:

- _____ a) The application for temporary approval should be denied.
- b) The application for temporary approval should be approved, since
1. The temporary approval can be properly administered.
 2. Other water sources are not readily available.
 3. The approval is in the public interest.
 4. The approval will not injure known public values associated with the water source or any known water rights.

This application is therefore hereby:

- _____ a) DENIED
- b) APPROVED, subject to the following conditions:
1. Diversion and use of water under this approval is subject to all valid existing water rights.
 2. The applicant assumes all risk the use of the water under this approval may injure other water rights.
 3. This approval authorizes a maximum diversion of 0.14 AF and a maximum rate of diversion of 0.67 cfs.
 4. This approval does not grant a right-of-way across the land of another, does not create a continuing right to use the water and may not be used in connection with a use which requires a continuing water supply.
 5. The department may cancel this approval at any time if the department identifies injury to other water rights.
 6. This approval expires on 6/11/12.
 7. This approval does not create a continuing right to use water.
 8. The holder of this temporary permit shall not divert at a rate or in a manner that will significantly reduce the flow in the water source or otherwise adversely affect fish, wildlife or other public vaules.
 9. Other: Water intakes should be screened to prevent entrainment or impingement of fish or other aquatic life. The maximum screen mesh size should be 0.25 inches; approach velocities should not exceed 0.5 ft/second.
 10. Contact the DEPARTMENT OF WATER RESOURCES prior to diversion of water from streams.

DATED this 21 day of March, 2012.

Subject: RE: Temporary Water Appropriation-South Latah Highway Dist.

Keith -- This is essentially the same as the temporary permits issued to South Latah Highway District in the past for dust abatement; those reflected previous comments and recommendations by Fish and Game. Therefore, Fish and Game has no concerns about re-issuing this permit as requested.

Re: Application For a Temporary Approval of a Water Appropriation

Dear RAY:

The Department of Water Resources is seeking comment and/or recommendation from your agency, regarding an application to temporarily appropriate 0.14 acre-feet of water from Potlatch River between May 1st and June 11, 2012, for road construction water by South Latah Highway District. Essentially this is a renewal of an application that has been issued in past years. A copy of the application is attached for your reference.

Would you please submit your comments no later than March 16, 2012? If we do not hear from you by that date, we will assume that no comment from you, means you have no objection to, concerns about, or conditions pertaining to the issuance of this permit.

You may send comments by regular mail to the address above, by FAX to 762-2819 or by e-mail to keith.franklin@idwr.idaho.gov.

If you have any questions, don't hesitate to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
Interim Program Manager
