**Attachments:** T84145 - Amended Pages.pdf

James,

After multiple deliberations, our client has ultimately decided to keep the transfer as close to the original as possible to avoid re-advertisement. Only a few pages are required to be amended in the transfer application and I have attached them to this email. If you require a full copy of the transfer with the amended pages, please let me know and I will provide it.

We are designating 9 acres towards irrigation and only 1 acre-equivalent for Fish Habitat. Does this satisfy your concern over enlargement?

Thank you,

---

James,

Our client has reevaluated their goals for their property and determined that they would like to make amendments to the transfer. The nature of the amendments will hopefully address your concerns below. I anticipate that re-advertisement will be required for the amended transfer. We will submit as soon as possible.

Thanks,
