RE: Partial Assignment of Application for Permit No. 36-7979

Dear Mr. Klosterman:

We received the assignment forms transferring portions of the above referenced application. All the forms seem to be in order except the one assigning 6.4 cfs to Ralph Ingram. The point of diversion is listed as Sec 23, NW $\frac{1}{4}$ NE $\frac{1}{4}$ . This is not a point of diversion listed on the amended (1982) Application for Permit that we have on file. It appears that you may have intended to list the NENW.

We are sending the assignment form back to you. You may make the correction, initial it, and return the form to us to complete the processing of the assignments.

Sincerely,

A handwritten signature in cursive script that reads "Sharla Curtis".
