RE: Our Water Rights License map.

Dear Angela,

Thank you for sending us our Water Rights license, #86-12093. But both maps you'd sent us have an incorrect location of the "Point of Diversion", so, per our phone conversation today, I've enclosed a map with the corrected location for the 'point of diversion' shown on it in a green circle. ☺

If you could please correct it in your records and send us a copy of the corrected map we'd really appreciate it.

And thank you SO much for calling me back so quickly! ☺ I enjoyed talking with you. If you have any questions, please feel free to call me on my cell number, 1-208-669-2673.

Sincerely,

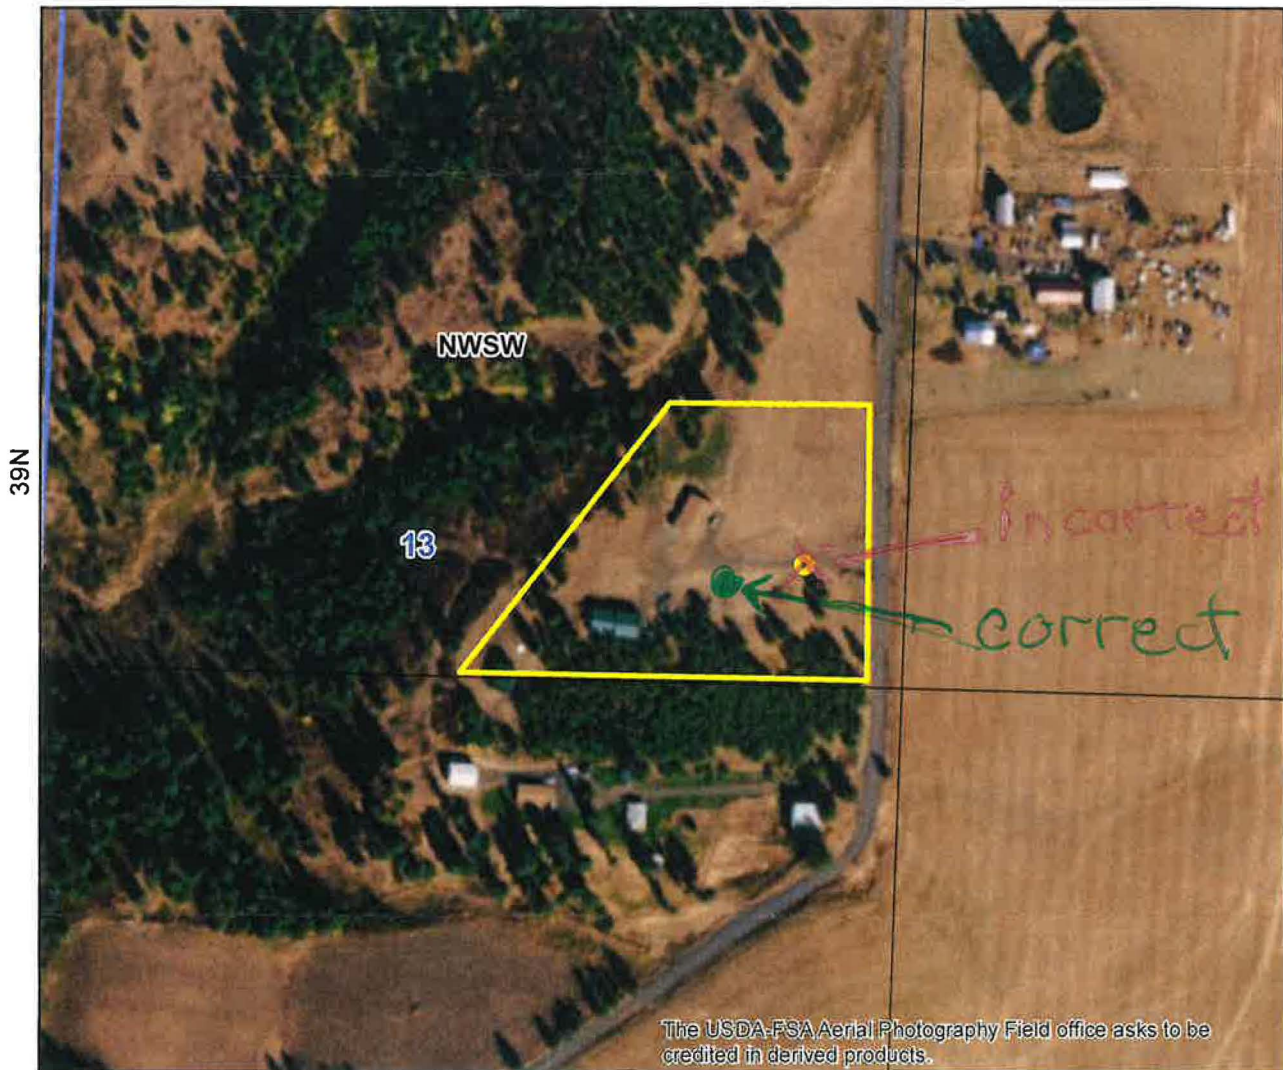

Terria Gill
