### Re: Application for Permit No. 63-34955

Dear Interested Party:

The above referenced application may be of interest to you. I would like to inform you that the application has been submitted to the *Messenger Index* for advertising. I enclosed a copy of the application for your convenience. This information is also available on our website [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

If you wish to formally protest the approval of the application, you must submit a protest with the \$25.00 protest fee to this office by **5:00 p.m., December 21, 2020**. You must also send a copy of your protest to the applicant.

If you have any questions regarding the application, please contact this office at 208-334-2190.

Sincerely,

Anna Kaiser  
Administrative Assistant  
Western Regional Office

**RE: Application for Permit No. 63-34955**

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the MESSENGER INDEX on 12/2/2020 and 12/9/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Anna Kaiser  
Water Resource Agent

Good afternoon Travis,

As discussed on the phone, because of the location of your proposed ground water diversion, I am needing a proposed 'Water Bearing Zone' (WBZ) from which you will appropriating ground water from. Please reply to this email with a proposed WBZ in the form of: *Water bearing zone to be appropriated is from number to number feet.*

I am trying to get your application into the next round of advertising this coming Thursday, so if you can respond to this email at your earliest convenience it would be greatly appreciated.

Thanks and regards,

Justin Shearer
