Hi Jonie,

Hope you're doing well. We have security interest in 2 water rights for Thomas Fork Ranch (11-105 & 11-106) Both show us as security interest but they also show Western AgCredit. Wester AgCredit sent a letter to Boise back in Sept (I've attached the letter) but the security interest is still showing. Does the security interest still show on your end? If so what can we do to update it?

Thanks in advance for your help.
