Re: Water Right Application Incomplete - Returned

Dear Applicant:

This office received your application on October 19, 2020. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are addressed:

- **4 - Point of Diversion(s)**
 - 4b- Quarter-quarter information was not included in legal description. The parcel number you provided on your map suggests the quarter-quarter is NENE of government lot 6, but please confirm.
- **9 - Place of Use**
 - 9b- acreage for irrigation use is not identified in the quarter-quarter within the provided table on the application. Again, the parcel number you provided on your map suggests the quarter-quarter is NENE of government lot 6, but please confirm.

The original incomplete application is enclosed. Please make the necessary amendments to the original form and re-submit within the next thirty (30) days. If IDWR does not receive your written response within thirty (30) days, a refund will be issued for this filing. This letter is an attempt to ensure that your application is complete in order to establish a priority date. You may receive future correspondence regarding more specific details of your application. IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please consult the IDWR website or contact this office at 208-334-2190 and ask for the "office day person" if you have any questions about the necessary information or fee.

Sincerely,

Western Region Water Rights Staff
