Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

MEMORANDUM

TO: Water Right Permit File 87-10407

FROM: Daniel A. Nelson

DATE: November 6, 2020

SUBJECT: Field Exam Required

I spoke with Adam Frederick on this permit, and we came to an agreement that the springs and possible places of use were a significant distance apart from one another. If this is the case, then the permit would need to be split, so there is only one right per system. Adam stated he would have his staff look at this one next spring.
