RE: Change in Ownership Water Right Nos: 74-646A and 74-7279

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- X Evidence of Water Right Ownership: copy of Deed, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question – You submitted a warranty deed conveying property from Sharyn Ward to you. These water rights are in the names of Sharyn Ward and Donald E. Ward. Please provide chain of title from Donald E. Ward to you.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4920.

Sincerely,
