Place of Use (Acreage): 6.0 acres of the 173 authorized acres identified on **Exhibit 2**.

The above-described portion of the Water Right is referred to hereafter as the "Purchased Water Right."

2. Property Retained. Other than the Purchased Water Right, Seller reserves and retains unto Seller any other water rights that may be appurtenant to the authorized place of use for the Water Right. No land, easements, or other property interests, other than the Purchased Water Right, are included in this Agreement.
3. Purchase Price. The purchase price for the Purchased Water Right is [REDACTED] (the "Purchase Price").
4. Earnest Money Deposit. Contemporaneous with the execution of this Agreement, Buyer shall deliver to Seller earnest money in the amount of [REDACTED] (the "Earnest Money"). The Earnest Money shall be applied towards the Purchase Price at closing, or otherwise disposed of as provided herein.
5. Transfer Application. Within 30 days after both Parties sign this Agreement, Buyer will file with IDWR an *Application for Transfer of Water Right* (the "Transfer") to amend and move the Purchased Water Right to Buyer's desired location(s) and change the nature of use of 8 acres-worth to Fish Habitat with the remaining 2 acres of the purchased right remaining as Irrigation but at the buyers designated place of use. The Parties will cooperate in obtaining IDWR approval of the Transfer and will provide and execute any necessary documents requested by IDWR. Buyer will be responsible for the costs to file the Transfer, including all attorney fees, consultant fees, and filing fees associated with preparation of the Transfer. In the event this Agreement is terminated pursuant to paragraph 6 of this Agreement, Buyer shall at its sole expense take such action as may be required to void or reverse the Transfer in order to return the Purchased Water Right to the condition it existed on the Effective Date, upon completion of which the Earnest Money will be returned by Buyer within 14 days of such completion.
6. Transfer Contingencies.
 - (a) [IF APPLICABLE] Unstacking of Water Rights. While the elements of the Water Right and an associated water right, Water Right No. _____, are sufficiently described to allow IDWR to "unstack" these water rights, this Agreement shall be null and void and of no further effect if IDWR does not unstack the Purchased Water Right from Water Right No. _____.
 - (b) [IF APPLICABLE] Lien Release. If, after exercising commercially reasonable efforts, Seller is unable to obtain a lien release on the Water Right, this Agreement shall be null and void and of no further effect, and Buyer shall return the Earnest Money to Buyer.
 - (c) No Protests. If no protests or other objections to the Transfer are filed with

IDWR, but the Transfer is (i) denied, (ii) approved by IDWR for less than 6.0 acres worth of water right or (iii) approved by IDWR with conditions that materially devalue the Purchased Water Right for Buyer's intended use thereof; then Buyer may terminate this Agreement within 14 days after the date of the IDWR approval notice by providing written notice of termination to Seller. Within 14 days of receipt of the notice of termination, Seller shall refund the Earnest Money to Buyer. If Buyer does not terminate this Agreement as provided herein, the Parties shall proceed to Closing as set forth in paragraph 7.

- (d) Protest Filed. If a protest or other objection to the Transfer is filed with IDWR, then Buyer may terminate this Agreement within 180 days after the protest is filed with IDWR. If Buyer does elect to terminate this Agreement, Seller shall refund the Earnest Money to Buyer within 14 days of receipt of the notice of termination.
- (e) Option Agreement. If Seller is unable to obtain title to the Water Right through the exercise of Seller's option to purchase the Water Right because of a breach by the other party to the Option Agreement, Seller may elect to terminate this Agreement within 180 days of the breach. In such event, Closing on this Agreement shall be stayed for said 180 days pending resolution of the dispute over the Option Agreement or termination by Seller.

7. Closing.

- (a) Closing Date. If (1) the Water Right is unstacked as provided in paragraph 6(a); and (2) no protest to the Transfer is filed with IDWR; or (3) IDWR issues a transfer approval acceptable to Buyer without the conditions of paragraph 6(c) present, then Closing on the Purchased Water Right shall occur within 30 days after the date all the above items are satisfied. If a protest or other objection to the Transfer is filed with IDWR, or there is a dispute over the Option Agreement, and Buyer does not elect to terminate the Agreement as set forth in paragraph 6(d) of this Agreement, the Closing shall occur within 14 days after the 180-day termination period expires. Notwithstanding the above, the Parties may mutually agree to another date for the Closing.
- (b) Closing Location. The Closing shall occur at the offices of Rigby Andrus & Rigby PLLC, 25 N 2nd E, Rexburg, Idaho 83440, or at another location mutually agreed by the Parties.
- (c) Documents to be Delivered at Closing.
 - (1) At Closing, Buyer shall deliver the Purchase Price plus Buyer's Premium less the Earnest Money.
 - (2) At Closing, Seller shall deliver to Buyer the Special Warranty Deed (the "Deed") substantially in the form attached to this Agreement as **Exhibit 3** for the Purchased Water Right, and any lien release or other documents reasonably requested to confirm the conveyance of the Purchased Water Right free and clear of

encumbrances.

- (d) Fees and Costs of Closing. The fees and costs of processing the closing including recording the deed after closing and preparation and fee for Change of Ownership application shall be paid by Buyer. All other expenses not specifically referenced in this Agreement but related to the Transfer and incurred by Seller or Buyer with respect to this transaction shall be borne and paid exclusively by the Party incurring the same, without reimbursement.
8. Default. In addition to either Party's failure to perform any material term or condition of this Agreement or a Party's breach of any of such Party's representations or warranties (in which event the non-defaulting party may pursue any available remedy, including equitable relief), Buyer shall be deemed in default hereof if Buyer files a petition in bankruptcy or is adjudicated bankrupt or insolvent, Buyer makes an assignment for the benefit of its creditors, or consents to the appointment of a receiver of itself or of its property, or institutes proceedings for its reorganization, in which case, in addition to any other remedies or rights Seller might have, Seller shall have the power and authority to notify the Department that the Application for Transfer has been withdrawn.
9. Seller's Representations and Warranties. Seller hereby represents and warrants to Buyer, as of the Effective Date and again as of the Closing as follows:
- (a) Authority. Seller has the full legal right, power and authority to enter into and perform this Agreement, and will obtain good marketable title to the Purchased Water Right in fee simple, and Seller (at its expense) shall remove, or shall exercise commercially reasonable efforts to cause to be removed, all liens, claims, or encumbrances, whether of record or not, upon or affecting the Purchased Water Right on or before Closing. If, after exercising commercially reasonable efforts, the liens, claims, or encumbrances are not removed by Closing, Seller may terminate this Agreement.
- (b) Conveyance. Seller shall then convey the Purchased Water Right free and clear of all liens, encumbrances and restrictions, except such restrictions on the use of water as may appear on the Water Right Report contained at **Exhibit 1**.
- (c) Appurtenance. The Purchased Water Right is appurtenant to and has been beneficially used as the water source to irrigate its place of use and/or been properly preserved for future use consistent with Idaho law.
- (d) Not Forfeited. No portion of the Purchased Water Right has been forfeited or abandoned in whole or in part.
- (e) No Representation or Warranty Concerning Suitability for Buyer's Intended Use. Seller has not made, and hereby makes, no representation or warranty to Buyer except as expressly contained in this Agreement.

10. Buyer's Representations and Warranties. Buyer hereby represents and warrants to Seller as of the Effective Date and again as of the Closing for the Purchased Water Right, as follows:
- (a) Authority. Buyer has the legal power, right and authority to enter into this Agreement and to perform Buyer's obligations hereunder.
 - (b) Buyer's Due Diligence. Buyer and Buyer's consultants and counsel have had a full opportunity to review all documents, records and other information made available to Buyer by Seller and/or otherwise reasonably available to Buyer through public or other sources, related to the nature and extent of the Purchased Water Right, the laws and rules affecting their transfer and use by Buyer, and the suitability or fitness of the Purchased Water Right for Buyer's intended purposes.
11. Warranties to Survive Closing. All representations and warranties made by the Parties herein are also covenants, and each Party shall take all such actions as may be required to satisfy said covenants and to cause the representations and warranties to be true on and as of the Closing. The Parties' respective obligations to close and consummate the transaction contemplated herein are contingent upon the representations, warranties and covenants contained in this Agreement being true, valid and satisfied on and as of the Closing. All such representations and warranties shall survive the Closing.
12. Broker.
- (a) The Broker represents Buyer under this Agreement and Buyer shall pay a Buyer's Premium of [REDACTED] of the sale price or [REDACTED] at closing.
 - (b) Consent To Limited Dual Representation And Assigned Agency. The undersigned Buyer has received, read and understand the Agency Disclosure Brochure (prepared by the Idaho Real Estate Commission). The undersigned Buyer understands that the brokerage involved in this transaction may be providing agency representation to both the Buyer and the Seller. The undersigned Buyer understands that, as an agent for both Buyer/client and Seller/client, a brokerage will be a limited dual agent of each client and cannot advocate on behalf of one client over another, and cannot legally disclose to either client certain confidential client information concerning price negotiations, terms, or factors motivating the Buyer/client to buy or the Seller/client to sell without specific written permission of the client to whom the information pertains. The specific duties, obligations, and limitations of a limited dual agent are contained in the Agency Disclosure Brochure as required by § 54-2085, Idaho Code. The undersigned Buyer understands that a limited dual agent does not have a duty of undivided loyalty to either client. The undersigned Buyer further acknowledges that, to the extent the brokerage firm offers assigned agency as a type of agency representation, individual sales associates may be assigned to represent each client to act solely on behalf of the client consistent with applicable duties set forth in § 54-2087, Idaho Code. - (c) Buyer Notification and Consent to Release from Conflicting Agency Duties. Buyer acknowledges that Broker as named above has disclosed the fact that at times Broker acts as agent(s) for other buyers and for sellers in the sale of the property. Buyer has been advised and understands that it may create a conflict of interest for Broker to introduce Buyer to a Seller client's property because Broker could not satisfy all of its client duties to both Buyer client and Seller client in connection with such a showing or any transaction which resulted. **Based on the understandings acknowledged, Buyer makes the following election.** (Make one election only.)

THIS OPTION AGREEMENT FOR PURCHASE AND SALE OF WATER RIGHT ("Option Agreement") is made and entered to be effective as of the 11th day of March, 2020 (the "Effective Date"), by and between the following entities:

1. **Thomas E. Hill**, whose address is 1540 S 6000 W, Driggs, ID 83422, hereinafter "Seller";
2. **Rocky Mountain Water Exchange, LLC**, an Idaho limited liability company, whose address is 482 Constitution Way, Suite 303, Idaho Falls, Idaho 83402 (hereinafter "Buyer"); and
3. Acting on behalf of Buyer, **Keller Williams Realty East Idaho**, an Idaho limited liability limited partnership whose address is 3525 Merlin Dr., Idaho Falls, Idaho 83404, with **Michael James Johnston** as Broker and **Reed D. Nord** acting as Agent for the Broker (hereinafter "Broker").

Buyer, Seller, and Broker are individually a "Party" and together the "Parties".

RECITALS:

- A. Seller owns Water Right No. 22-7681 (the "Water Right"), which was licensed on October 19, 2000 by Idaho Department of Water Resources for irrigation purposes with a priority date of August 30, 1990. The current description of the Water Right is more fully set forth in the report obtained from the Idaho Department of Water Resources ("IDWR" or the "Department") attached hereto as **Exhibit 1**.
- B. Buyer has inspected government records and reviewed other information pertaining to the Water Right. Seller desires to grant, and Buyer desires to obtain, an option to purchase the Water Right as set forth in the terms and provisions of this Agreement.

AGREEMENT:

IN CONSIDERATION of the mutual representations, warranties, and covenants contained herein, the Parties, intending to be legally bound hereby, agree as follows:

1. Option Granted. Seller hereby grants and sells to Buyer the exclusive option and right ("Option") to purchase, at Buyer's sole discretion, a **40-acre** portion of the Water Right at any time on or before June 1, 2022 (the "Option Period") if Buyer is not then in default of any provision of this Agreement.

2. Payment for Option. Upon execution of the Option Agreement, Buyer shall pay to Seller a fee in the amount of \$ [REDACTED] as payment for the Option. This payment is nonrefundable, except in the case of Seller's default.
3. Transfer Application. During the Option Period, Buyer, in its sole discretion may elect to file with IDWR one or more applications for transfer ("Transfer" or "Transfer Application") for the Water Right. Seller hereby consents to such transfers. Buyer shall bear all costs associated with each Transfer and shall have the ability to file a Transfer as to any of the Water Rights. The Transfer applications may entail a change in any element or condition of the Water Rights or may entail use of the Water Rights for mitigation or some other similar purpose. Buyer shall be entitled to any mitigation credits resulting from the Transfer.
4. Cooperation with Transfer Efforts. Seller shall cooperate fully with Buyer throughout with each Transfer. At Buyer's request and direction, Seller shall take whatever steps are reasonable and appropriate to support and assist in securing approval of the Transfer, including signing and notarizing Transfer Applications, authorizations, and other documents consistent with Buyer's rights under this Option Agreement, or ceasing irrigation of portions of the Water Right place of use if necessary. Any costs incurred by Seller at Buyer's direction in this regard shall be reimbursed by Buyer. In the event that it is necessary to dry up acres in order to obtain transfer approval, Buyer will inform Seller of the need to dry up acres and shall identify which acres need to be dried up. Buyer shall not have the ability to require acres to be dried up if notice to dry up acres is provided to Seller after Seller has planted crops for the upcoming growing season, unless Buyer and Seller agree otherwise. Additionally, to the extent crop reports are available, Seller agrees to secure and provide to Buyer (or to assist Buyer to obtain) Farm Service Agency crop reports for the Water Right place of use.
5. Withdrawal of Transfer Application. At any time and in its sole discretion Buyer may withdraw, amend, or suspend any pending Transfer Application or file a new or revised Transfer Application.
6. Use and Protection of Water Rights. Prior to their conveyance to Buyer at Closing if the Option is exercised, Seller is authorized to continue to use any portion of the place of use of the Water Right that is not the subject of a Transfer. Seller shall keep Buyer fully advised of the status and use of the Water Rights during the Option Period. At no time during which this Option Agreement is in effect shall Seller take any action that diminishes the value or utility of the Water Right.
7. Exercise of Option. Buyer shall exercise the Option by providing notice consistent with paragraph 11 of this Option Agreement. If Buyer exercises the option to purchase, the purchase price for the Water Right shall be [REDACTED] per acre or an alternative purchase price mutually agreed upon by both Buyer and Seller on a case-by-case basis.

- (a) Authority. Seller has the full legal right, power and authority to enter into and perform this Option Agreement, and shall remove, or shall exercise commercially reasonable efforts to cause to be removed, all liens, claims, or encumbrances, whether of record or not, upon or affecting the Water Right on or before Closing if the Option is exercised and the Water Right is purchased by Buyer.
 - (b) Appurtenance. The Water Right is appurtenant to and has been beneficially used as the water source to irrigate its place of use and/or been properly preserved for future use consistent with Idaho law.
 - (c) Not Forfeited. No portion of the Water Right has been forfeited or abandoned in whole or in part.
 - (d) No Representation or Warranty Concerning Suitability for Buyer's Intended Use. Seller has not made, and hereby makes, no representation or warranty to Buyer except as expressly contained in this Agreement.
9. Buyer's Representations and Warranties. Buyer hereby represents and warrants to Seller as of the Effective Date and again as of the Closing for the Water Right, as follows:
- (a) Authority. Buyer has the legal power, right and authority to enter into this Agreement and to perform Buyer's obligations hereunder.
 - (b) Buyer's Due Diligence. Buyer and Buyer's consultants and counsel have had a full opportunity to review all documents, records and other information made available to Buyer by Seller and/or otherwise reasonably available to Buyer through public or other sources, related to the nature and extent of the Water Right, the laws and rules affecting their transfer and use by Buyer, and the suitability or fitness of the Water Right for Buyer's intended purposes.
10. Broker.
- (a) The Broker represents Buyer under this Option Agreement and Buyer shall pay Broker a fee of [REDACTED]
 - (b) Consent To Limited Dual Representation And Assigned Agency. The undersigned Buyer understands that, as an agent for both

Buyer/client and Seller/client, a brokerage will be a limited dual agent of each client and cannot advocate on behalf of one client over another, and cannot legally disclose to either client certain confidential client information concerning price negotiations, terms, or factors motivating the Buyer/client to buy or the Seller/client to sell without specific written permission of the client to whom the information pertains. The specific duties, obligations, and limitations of a limited dual agent are contained in the Agency Disclosure Brochure as required by § 54-2085, Idaho Code. The undersigned Buyer understands that a limited dual agent does not have a duty of undivided loyalty to either client. The undersigned Buyer further acknowledges that, to the extent the brokerage firm offers assigned agency as a type of agency representation, individual sales associates may be assigned to represent each client to act solely on behalf of the client consistent with applicable duties set forth in § 54-2087, Idaho Code. In an assigned agency situation, the designated Broker (the broker who supervises the sales associates) will remain a limited dual agent of the client and shall have the duty to supervise the assigned agents in the fulfillment of their duties to their respective clients, to refrain from advocating on behalf of any one client over another, and to refrain from disclosing or using, without permission, confidential information of any other client with whom the brokerage has an agency relationship.

- (c) Buyer Notification and Consent to Release from Conflicting Agency Duties. Buyer acknowledges that Broker as named above has disclosed the fact that at times Broker acts as agent(s) for other buyers and for sellers in the sale of the property. Buyer has been advised and understands that it may create a conflict of interest for Broker to introduce Buyer to a Seller client's property because Broker could not satisfy all of its client duties to both Buyer client and Seller client in connection with such a showing or any transaction which resulted. **Based on the understandings acknowledged, Buyer makes the following election.** (Make one election only.)
