Dear Interested Parties:

The Idaho Department of Water Resources (Western) received a Notice of Change in Water Right Ownership from you on April 24, 2020 for the above referenced water rights. On April 28, 2020, the Department requested additional documentation establishing a chain of title from the current owner of record for the above referenced water rights from you. As of the date of this letter, the Department has not received the required information.

The Department is returning your Notice of Change in Water Right Ownership and the attachments. A refund of \$50 has been requested and will be mailed to Malissa Meyer under separate cover from the Idaho State Controller's Office. You may re-submit your request with the appropriate documents and fees.

If you have any questions regarding this matter, please contact our office at (208) 334-2190.

**RE: Change in Ownership for Water Right No(s): 65-13040, 65-18137**

Dear Interested Parties:

The Department of Water Resources (Western) acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

\_\_\_\_\_ Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

\_\_\_\_\_ Legal Description of Property

The Quitclaim Deeds submitted with your Notice were found to be insufficient evidence of ownership. The Grantors on the deeds are not the owners of record for the above mentioned water rights. Please submit conveyance documents establishing a chain of title from the recorded owners of the water rights to the Grantors in the provided Quitclaim Deeds. Additionally, the Department will require a notarized copy of the Quitclaim Deed granted by Tom Meyer and Malissa Meyer.

The two provided Quitclaim Deeds appear to be separate documents, which both refer to an Exhibit A describing the property granted in the deeds. However, only one Exhibit A was provided. Please submit complete, notarized copies of both Quitclaim Deeds, with the individual Exhibit A's belonging to each deed, to the Department.

Additionally, please note that the submitted Notice of Change in Water Right Ownership lists the new owners as Meylux LLC, Malissa Meyer, and Tom Meyer. However, as the provided documentation transfers ownership of the property from Malissa and Tom Meyer to Meylux LLC, the Department will not be able to add them as co-owners as owners of the referenced water rights. If you would like to add all three parties as owners of the water rights, please provide documentation showing all three parties as the current owners of the property and/or water rights. Otherwise, only Meylux LLC will be added as the current owner of the above mentioned water rights.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing

address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact our office at (208) 334-2190.

Sincerely,
