RE: Release of Security Interest for Water Right No(s): 63-8683

Dear Interested Parties:

The Idaho Department of Water Resources (Western) received correspondence indicating a Release of Security Interest from you on July 20, 2020 for the above referenced water right. Your request could not be processed because Northwest Farm Credit Services is listed as an owner of the water right rather than a security interest. In order to remove your organization as an owner of the water right, you or the other listed owner, Carolyn A. Gibson, must submit a Notice of Change in Water Right Ownership form along with a \$25 processing fee and a copy of the release of mortgage.

A Notice of Change in Ownership form and a copy of the water right is enclosed for your convenience.

If you have any questions regarding this matter, please contact our office at (208) 334-2190.

Sincerely,

Lynne Evans
