MEMORANDUM

To: Water Right Permit 95-18034

From: Luke Bates 

Date: 10/29/2020

Re: Application for a Permit to Appropriate Water within the State of Idaho.

An application for permit for domestic and irrigation uses in the name(s) of Don and/or Patricia Foreman was received on 10/29/2020. Patricia Foreman was in person to develop the application, and identified the well located on the property was pre-existing their purchase over 20 years ago. ADHOC well construction search was conducted in order to attempt to locate a well driller report that aligned with the applicant's parcel, but resulted in zero conclusive matches. Kootenai County tax parcel search was conducted to view prior owners, but none of the prior property owners matched the names associated with other wells in the same 40 acre tract.

Due to the inconclusive well search, no well-upgrade fee was applied to application at time of submission by applicant.
