RE: WATER DISTRICT 11-E

PARIS CREEK

Dear Mr. Stocker:

Thank you for your letter explaining why the services of the Water Master for District 11-E was not needed for the year 1998. We are also in receipt of the bank statement showing the ending balance for your district for 1998.

We are sending you the needed forms for the 1999 year along with the information we normally send out to the districts when we receive the Water Master report. We will still need the new forms completed and returned to us before we can appoint a Water Master for 1999. We will also need to receive a copy of the minutes of your annual meeting.

Thank you again for your letter and for the bank statement. It is appreciated.

RE: WATER DISTRICT NO: 11-E
WATERMASTER: JOEL PACKMAN

Dear Gentlemen:

Enclosed is a copy of the letter and bank statement we received from Mr. Richard J. Stocker, Secretary for Water District 11-E. They did not require the services of their Water Master for the 1998 year as the water in their district was sufficient and rationing was not needed. We are forwarding this copy to you as a courtesy as normally you would be receiving a copy of the Water Master's Report.

If you have any questions, please contact us at once.

Sincerely,
