To Whom It May Concern:

This is to report the water year 1999 for Water District No. 11-E.

It was a good water year with enough water for all involved in irrigation.

We had our watermaster hired- Mr. Joel Pacham- but due to plenty of water was never ask to regulate the water in the district.

The annual meeting for the water district no.11-E will be held the 14th of Feb. 2000 at 1p.m. at Paris, Idaho in the County Agents Office.

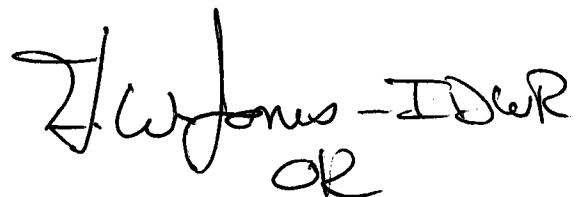

Enclosed is a bank statement for Dec 1999 showing the amount in Water District No. 11-E.

Would you please correct my address.
