RE: Required Forms For Water District #11-E

Dear Mr. Pacham:

In October 2002 we sent you the required Watermasters Report and Proposed Budget forms. So far we have not received these back from you.

We have been contacted by the Secretary for your Water District advising us that the annual meeting for this Water District will be held shortly. Normally we require the completed Watermaster Report and the Proposed Budget before we send the forms needed for the annual meeting. We have agreed to send the needed forms for the annual meeting even though the preliminary forms have not been received.

Please send in the completed Watermaster's Report and the Proposed Budget without further delay. Your cooperation in this will be appreciated.

Sincerely,

Harold W Jones
Water Right Supervisor
