Dear Water Right Holder(s):

The Department recently processed a Notice of Change in Water Right Ownership of the above referenced water right(s) and sent out confirmation to you. It was later noticed that (5) of the water rights are leased to the Water Supply Bank; which was not addressed in the original cover letter sent on November 3, 2020.

Please note, water right(s) 37-4100, 37-8205, 37-21614 and 37-22128 were leased to the Water Supply Bank (bank) in January, 2020. In accordance with the bank lease acceptance, the lessor/current right holder (right holder) may not use the right(s) while it is in the bank, even if the right(s) is not rented from the bank. The right(s) will remain in the bank until December 31, 2024 unless released earlier by the Water Resource Board or upon request by the right holder.

Water right 37-4369 was leased to the Water Supply Bank (bank) in January, 2019. In accordance with the bank lease acceptance, the lessor/current right holder (right holder) may not use the right(s) while it is in the bank, even if the right(s) is not rented from the bank. The right(s) will remain in the bank until December 31, 2023 unless released earlier by the Water Resource Board or upon request by the right holder. To reduce the term of the lease, the right holder must submit a written request to the department. The department will verify if the right is rented or available for release, and notify the right holder of the release date.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
