OTHER BUSINESS

Roy Bunderson reported on the Black Bear Resort Water application protest. The application has been denied. Roy feels that the attorney representing the coalition should not be retained unless other issues arise on this matter. Max Bunderson and Gail Nye want the Creek to put in a cement head gate to force the water into the second creek so that they can receive their share of the water when the creek is low. Idaho Water Resources was consulted and the said that just the water users that are affected will have to pay for this work.

Meeting adjourned at 12:10 p.m.
