Subject: Well upgrade Fee & approval for minor corrections on Application For Permit 96-9827

Mrs. Bansemer:

Please contact me Monday at (208) 762.2816 concerning a \$165 upgrade fee for Irrigation use of your well and approval for a couple of additions / corrections to your Application (96-9827). I also need to ask you a few questions about the yellow '...Post-It™...' note comments on the Well Driller's report that you attached to the Application.

The additions/correction are:

- 1) Change the '...and...' on Line 1 of the Application to read as '...and/or...' in order to match the checked box.
- 2) Add the information from the Driller's Report for Line 7 to read as Proposed Well Diameter '...6 inches,' depth '...455 feet...', 85 degree water '...No...' and completion date 9/16/1992 by Aqua Drilling for Mark Mayo.
