RE: Permit No. 95-17941

Dear Permit Holder:

The Department received the proof of beneficial use (proof) form submitted for the above referenced permit. The proof is not acceptable without the correct fee. A copy of the form is enclosed for your reference.

This permit authorizes a diversion rate of 0.02 cfs (cubic feet per second) and was stated the same on the form requiring a license examination fee of \$50.00.

Please submit the required fees at your earliest convenience before the proof due date of **June 01, 2021** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4920.
