

## MEMORANDUM

**Date:** October 14, 2020  
**To:** Transfer 84432  
**From:** Michael Holliday  
**Re:** Review & Evaluation of Sufficiency of Information

The purpose of this transfer is to move an existing domestic use to a different well and a different building location within the same QQ, and to update ownership.

**Authority to File:**

Right 21-13005 was decreed to Elaine and Wendell Winegar. They are the two managing members of Valley View Rental & Sales LLC, and are both authorized to sign the application on behalf of the LLC. Water right ownership will be changed to the LLC in the transfer. Fremont County parcel data show the applicants as owners of the current and proposed points of diversion and places of use.

**Water Right Validity:**

Right 21-13005 was decreed in the SRBA in 2007. There is no evidence available to IDWR that would indicate five consecutive years of nonuse of the water right. Forfeiture is not an issue.

**Injury to Other Water Rights:**

Other water rights will not be impacted by the proposed transfer. The small domestic right will be moved a short distance within the same QQ. Because the transfer will have no hydrologic impact, public notice will not be required.

**Enlargement of Use:**

The proposed changes will not result in enlargement because water use will not increase as a result of the transfer.

**Local Public Interest:**

No issues identified.

**Beneficial Use / Conservation of Water Resources:**

No issues identified.

**Effect on Economy the Local Area:**

No issues identified.

**Effect on Agricultural Base of the Local Area:**

No issues identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
