RE: Water Right No. 47-11916

Dear Desert View Land Holdings LLC:

The Department recently processed a Change in Water Right Ownership for water right no(s). 47-2315B & 47-10699, for Desert View Dairy. During the review process, it was discovered that you may also be the current owner of the above referenced domestic water right. Enclosed is additional information, for your review.

In order to update our records to reflect your ownership of the domestic water right, we need to have the enclosed Notice of Change in Water Right Ownership form completed. Please make any necessary changes on the enclosed form, complete, sign, and return it to this office with the \$25.00 filing fee within sixty (60) days of the date of this letter.

Thank you in advance. If you have any questions regarding this letter, please feel free to contact our office.

Sincerely,
Denise Maline

Hi ladies,

I am working on the ownership change(s) for Desert View Dairy in Twin Falls County. The one I am working on is for 47-2315B and 47-10699 (Stock & Commercial) for the dairy. I came across a Domestic water right that is included in the land description and would need to have the ownership updated as well. I attached a map & water right report for the Domestic portion.

If this is correct and the Domestic should be transferred to Desert View; I can do that with another \$25.00 filing fee. I already have the deed & signatures.

Please let me know what you think and we'll get it finished up.

Thank you!
