Re: Application For a Temporary Approval of a Water Appropriation

Dear MARY:

The Department of Water Resources is seeking comment and/or recommendation from your agency, regarding an application to temporarily appropriate 5.0 acre-feet of water from Sand Creek, which is tributary to Pend Orielle Lake by Northwest Tree & Reclamation Co., for wetland sod & willow cuttings bank restoration for a new bike path. Essentially this is a renewal of a permit that was issued in 2010. A copy of the application is attached for your reference.

Would you please submit your comments no later than April 18, 2011? If we do not hear from you by that date, we will assume that no comment from you, means you have no objection to, concerns about, or conditions pertaining to the issuance of this permit.

You may send comments by regular mail to the address above, by FAX to 762-2819 or by e-mail to keith.franklin@idwr.idaho.gov.

If you have any questions, don't hesitate to contact me at this office.

Thank you.

Sincerely,

Keith E. Franklin
Water Resources Agent
