Subject: temp water right - bonner county hwy dist

Keith,

As in past years, the water trucks for Bonner County are not allow to use the boat ramps at our access sites (there are several listed in the application). They may use the access site to draw water, but they cannot block the ramp or back the truck down the ramp to draw water ; they can park to the side of the ramp to access water.

Let me know if you have any questions.

Thanks, Mary

Would you please submit any comments you might have no later than February 22, 2010? If we do not hear from you by that date, we will assume that no comment from you, means you have no objection to, concerns about, or conditions pertaining to the issuance of this permit.

You may send comments by regular mail to the address above, by FAX to 762-2819 or by e-mail to keith.franklin@idwr.idaho.gov.
