Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

You will notice that Holland & Hart LLP is copied on this letter, as they are listed as attorney of record on some of the water rights listed above. Holland & Hart LLP can be removed as attorney of record if necessary, with written authorization from either you or the law firm.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline

Hi Debbie,

I am working on a water right ownership change and security interest, recently received at our office. It was filed by TitleOne here in Twin Falls and I reached out to Susie Moore; however she directed me to you. I have attached my message & questions to her, for your reference.

Is there a way you can help me please? I would greatly appreciate it.

Thank you in advance,

Subject: [External] Frank Tiegs LLC Water Rights

Hi Susie,

We received a Change in Ownership and Notice of Security Interest a few weeks ago, for Frank Tiegs LLC. I have a couple of questions on the paperwork we received and I am hoping you can help me. I have attached the forms for your reference.

- We need an additional \$25.00 for the ownership change. 10 water rights @ \$25.00 each = \$250.00 and we only received \$225.00. Everything else looks good with the ownership change.
- There were no fees (\$250.00), or mortgage documents received with the security interest. In addition, I am slightly confused on the security interest holder. Is Frank Tiegs LLC the security interest for himself?

Any help you can provide is greatly appreciated! Thank you for looking into this.

I hope all is well in your world,

Denise Maline, IDWR Twin Falls

Hello again,

Regarding the additional \$25.00 for the ownership change; should I ask Rabo about that as well? I was assuming your office was handling all of the paperwork, since it came from your office when it was all submitted. Just checking. 😊

Thank you,

Denise

Hello Denise, I didn't fill out the forms. Rabo should be the security interest holder and not them. You can contact Debbie Diehl at Rabo and see what she really wanted. Her email is debbie.diehl@raboag.com and her direct line is 509-371-2606.

If you need anything further please let me know.
