RE: Water Right Change in Ownership No(s): 95-9993

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Filing Fee of \$25 per water right

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$25.

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2813.

Sincerely,

Natalie Steading
