Subject: RE: Application for Transfer No. 84175 - Settlement Agreement

Dear Parties,

Thank you for working to find a resolution of this protested application. I've read through the settlement agreement and think it is a good solution to the issues of protest. Given the agreement, the pre-hearing conference scheduled for September 3rd is no longer needed. Please let this email confirm that the pre-hearing conference scheduled for September 3, 2020 at 1 pm is cancelled. I hope to issue the transfer approval reflecting the settlement agreement in the next two weeks. You will all receive a copy of the approval. Tom Hansen will need to file a Notice of Change in Water Right Ownership (updating ownership from Ralph Hansen to Tom Hansen) for his portion of water right 13-603 after the transfer is approved. Our office is happy to help you find and complete the right paperwork.
