RE: Application for Permit No. 92-11113

Dear Applicants:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the ST MARIES GAZETTE RECORD on 10/7/2020 and 10/14/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

A handwritten signature in blue ink that reads 'Tammy Alleman'.

Hello Shaun,

This message is to clarify the purple circle around the homes is for irrigation, and the blue circle will be used for stock water on our application for permit.

Thank you,

Cindy Wolff

Hi:

Thanks for your visit to IDWR earlier today. One small clarification is needed on your Application For Permit Map (92-11113).

Please reply to this e-mail to indicate that the purple shape you drew around the home on your property, and closer to the St. Maries River, is for the 1 acre Irrigation Place of Use and that the blue shape, that lies further away from the St Maries River, is for the Stockwater Place of Use. I forgot to have you label these two shapes on the Application Map as '....Irrigation...' and '...Stockwater ...' respectively.

I will be back in the office Wednesday if you have questions.
