Re: Water permits 84-12293 and 84-12294

We have completed these 2 spring projects in accordance with the NRCS project/program we signed up for. Today they were approved by Jared Everson of the Grangeville office. I am sending the Statement of Completion forms and the required fees. I have included pictures of both tanks. Later I can send the NRCS paper work if you need that.

Sincerely,

Janelle Rieger
