Rob:

Thank you for the update on this contested case. I appreciate the efforts of all of the parties to try to find a resolution prior to the hearing. I don't have any concerns with advancing some of the deadlines to allow time for additional settlement discussions. Please let this email confirm that the deadline for filing expert reports is moved to September 11, 2020 and the deadline for filing rebuttal expert reports is moved to October 2, 2020.

James:

This email confirms our call from a few minutes ago. The parties in the above-entitled matter are working towards—and I believe are close to—resolution of the protests. The expert report disclosure deadline is tomorrow, with rebuttal reports due on September 18<sup>th</sup>. The parties have agreed via email to move tomorrow's disclosure deadline to September 11<sup>th</sup>, and to move the rebuttal expert report deadline to October 2<sup>nd</sup>. This will allow the parties to focus on resolution. You indicated that you would not have any objection to this. Will you confirm via email that the deadlines have been amended as provided in this email?

Thank you for your attention to this matter.
