Michael,

While processing Transfer 83216, can you please correct a clerical error on water right 21-178 in which the legal description of one of the points of diversion was transposed? The decreed legal description says NESESE of Section 36. The correct legal description is SENESE of Section 36. This appears to be an error made during the SRBA. No actual change in the point of diversion will occur.

We will bring a check by for the increased filing fees either tomorrow or Monday.

Thank you,

Kristin Moore
