Re: Application for Permit No. 47-08350

Dear Mr. & Mrs. Peterson:

A review of the above referenced file reveals that no response has been received to our letter of 2/3/94. If you will recall, we requested a Money Order to cover the filing fee for your application because the bank had returned your check due to insufficient funds.

If we do not receive a response within 15 days, the Idaho Department of Water Resources will consider the above numbered Application as null, void and of no further consideration.

If you have any questions or if this office can be of further assistance, please feel free to contact us.

Very truly yours,

Allen D. Merritt, P.E.
