RE: Application for Permit No. 96-9824

Dear Applicant:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNER COUNTY DAILY BEE on 9/17/2020 and 9/24/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Tammy Alleman
Administrative Assistant

Re: Application for a Permit to Appropriate Water within the State of Idaho.

An application for permit for irrigation use in the name of James M Dewey was received on 9/8/2020. The applicant had entered Clark Fork River as the source, with the tributary designated as Lake Ponderay. During application data entry, Arcmap DRG layer identified the correct tributary should state Lake Pend Oreille. The tributary was corrected to state Lake Pend Oreille at time of application processing prior to advertising review.
