RE: Water Rights 75-14516 & 75-14517 Correction of Acres

Dear Water Right Owners:

In January, 2020, William Bernt & Peggy Jo Bernt, submitted an ownership change to split water rights 75-14516 & 75-14517. The Department split the water rights into water rights 75-14972 & 75-1473. Water rights 75-14516 & 75-14517 remained in the name of Kord S Smith. It was recently brought to the attention of the Department that the amount of the acres in Township 23N, Range 22E, Section 4, NENW, SENW & NESW were incorrect. The total number of acres did not change therefore the diversion rate and volume remain the same.

The Department modified its records to reflect the land conveyed according to a letter provided by the Bernt's with their Application for Transfer, which is moving the point of diversion. Enclosed is computer-generated report showing the correction for your records.

Please feel free to contact me at (208) 287-4942 if you have any questions concerning the enclosed information or this letter.

Sincerely,

Jean Hersley
Technical Records Specialist II
