RE: Change in Ownership Water Right No: 79-7119

Dear Interested Party:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

 X Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

This water right is in the names of Mary Ann Nuckols, Getta Creek Land Co., and Teresa Marie Adair. You submitted a deed conveying property from Getta Creek Land Co. To remove Mary Ann Nuckols and Teresa Marie Adair, the Department requires the chain of title showing the property has been conveyed from them to either you or Getta Creek Land Co. I have enclosed a water right report reflecting the current owners for your convenience.

I will hold your Notice for 30 days to submit the required documents. If I do not receive the required documents within 30 days, I will add you as an owner and Mary Ann Nuckols and Teresa Marie Adair will remain as owners.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4920.

Sincerely,

Debbi Judd
