PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 37-22965

Dear Permit Holder:

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

During review of your proof statement and the permit listed above, I noticed that you stated a beneficial use other than what is allowed under this permit. You stated on your proof that your beneficial use is for one home, 6 horses, and irrigation of 2 acres, however, this permit authorizes a beneficial use for the irrigation of 1.2 acres. Diversion of water under this permit is limited to the authorized beneficial use. I have enclosed a copy of your proof statement and this permit for your reference. You may apply for another permit to cover additional water use if needed. Application for Permit forms are available from any Department office or at the Department's website at www.idwr.idaho.gov

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Southern Region Office of the Department located in Twin Falls at (208) 736-3033.

Sincerely,

Debbi Judd
