RE: Application for Permit No. 65-23918

Dear Applicant(s):

A legal notice of the application has been prepared and is scheduled for re-publication in the IDAHO WORLD on 9/2/2020 and 9/9/2020 due to an error. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Ah, that would explain it. No worries, would it be possible for me to add it into the legal notice I sent you yesterday? I can edit the legal notice document so that is accurate and resend it to you on Monday morning right away if that would work?

Thank you!
