NOTICE: STATEMENT OF COMPLETION DUE

RE: Permit No. 95-17882

IMPORTANT: A response from you is required to maintain the active status of the
referenced water right permit. If no response is received from you, the permit will lapse
and your authorization to develop and/or use this water right will be cancelled.

Dear Permit Holders:

One of the conditions of approval of the above referenced water permit was that proof of the extent
of your beneficial use must be submitted to this office on or before November 01, 2020. Please
complete and return the enclosed Statement of Completion for Submitting Proof of Beneficial Use
(proof) if you have completed the water project authorized by your permit. The proof statement
must be accompanied by either the appropriate license examination fee or a field examination
report prepared by a certified water right examiner.

If you have not fully completed your project, and you or a previous owner of this permit have not
received a prior extension of time, you may request an extension of time if the delay is for
reasonable cause as provided in Idaho Code § 42-204. If you have been delayed by a government
agency or by litigation that brings title to the water in question, an extension of time may be granted
if appropriate documentation is provided at the time of filing. An extension request must be
accompanied by a \$50.00 filing fee and signed by the appropriate authorized permit holder(s) or
authorized representative with a power of attorney.

Either an acceptable proof or an acceptable extension request must be received by this
Department on or before the above proof due date. If neither is received, the Department will send
you a lapse notice and the permit will no longer be of any force or effect.

Sincerely,
