RE: Application for Permit No. 78-12523

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the THE RECORD on 9/2/2020 and 9/9/2020. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Kensie Thorneycroft
Administrative Assistant

Thorneycroft, Kensie

Re: Water Right Application Incomplete - Returned

Dear Applicant:

This office received your application on August 3, 2020. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are addressed:

- **3 - Point of Diversion(s)**
 - Please populate section with **24**.
- **6- Total Quantity**
 - Please cross out and populate with **0.01** cfs (standard rate per acre is 0.03 cfs/acre)

The original incomplete application is enclosed. Please make the necessary amendments to the original form and re-submit within the next thirty (30) days. This letter is an attempt to ensure that your application is complete in order to establish a priority date. You may receive future correspondence regarding more specific details of your application. IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please consult the IDWR website or contact this office at 208-334-2190 and ask for the "office day person" if you have any questions about the necessary information or fee.

Sincerely,

Kate Hulse

Re: Water Right Application Incomplete - Returned

Dear Applicant:

This office received your application on July 13, 2020. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are addressed:

- **3 - Point of Diversion(s)**
Please describe the tributary you intend to divert your wastewater from.
- **7 - Description of the Diverting Works**
Please describe type and size of devices used to divert water from source.
- **13 - The Map**
Please see the attached map, mark your point of diversion on the map and see if you agree with the place of use I have outlined in red.
- **The Signature**
Please sign the amended application if you agree with the changes, I have included your original application for reference.

The original incomplete application is enclosed. Please make the necessary amendments to the original form and re-submit. This letter is an attempt to ensure that your application is complete in order to establish a priority date. You may receive future correspondence regarding more specific details of your application. IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please consult the IDWR website or contact this office at 208-334-2190 and ask for the "office day person" if you have any questions about the necessary information or fee.

Sincerely,

Kate Hulse
